GUIDE SUMMER CAMP

We are looking forward to welcoming children to our **summer camp**! The camp is going to be a summer full of adventures that will leave the kids filled with fun and excitement and allow them to spend their energy. Children will be transported through a fascinating theme each week and will have the opportunity to practice the sport of **gymnastics** at least **3 hours a day**!

Our summer camp is designed for beginners as well as for gymnasts already registered in this discipline. The goal of the camp is to offer children the enjoyment of gymnastics in a social and educational environment and to familiarize them with the basic gymnastics movements.

Please make sure that your account information on our website is up to date. Please read the details and instructions to ensure that your child's stay at camp goes smoothly:
